June and July, 1988

HARWELL PARISH COUNCIL "Keep Harwell Tidy" please..... Garden refuse must not be just strewn anywhere, several complaints have been brought to the council concerning this matter, especially in the Recreation Ground and Cow Lane. Also, many "Hedges" are growing onto Public Highways, please remember to cut them regularly as this can cause a hazzard to pedestrians and vehicles. We would appreciate your cooperation in this matter

Community Bus Service: A local community Bus Service which would offer daytime and evening services, linking Harwell and our neighbouring villages to Didcot and Abingdon, for a flat rate fare of 50p. (20p. for O.A.P's and Children), could, with your help be a reality. Work is underway to set up a non-profit making "Voluntary Bus Service" for this area. (Stanford in the Vale has run a similar scheme successfully for six years). To succeed though it means 'Volunteer Mini-Bus Drivers' and Administrators, it will be your service, and with your participation it will succeed. For farther details and - hopefully to "Volunteer" please contact Edward Blisett on Abingdon 835351.

ADVENTURE PLAY GROUND Thank you to all those who so kindly helped with the building of this play ground which gives enormous pleasure to children and parents alike.

CHERRY TREE COURT Annual Summer Sale; June 25th. 10am. to noon. In Aid of the "Anchor-Trust" enabling them to build more sheltered housing in other areas. Various Stall and other attractions. We would be grateful for Cakes; White Elephant; Records, Produce etc.

HARWELL GARDENER'S CLUB June 6th. Harwell Village Hall. 7.30pm. Talk on "Organic Gardening" Comp: A Vase of Tulips. All Welcome.

HARWELL FOOTBALL CLUB After what proved to be an extremely problematic season for both teams, the first team finished midway in the North Berks League Div.I and the reserves avoided relegation by six points. The 'First Team' reached the Final of the Didcot - Festival Cup but lost to Saxton Rovers. The 'Reserves' reached the Semi-final of the A.G. Kingham Cup. The Annual Six-a-Side takes place on Sunday, 12th. June. Volunteers and Supporters will be very welcome.

Unless former players or supporters come forward to help run the Club, then the Club will face another lean season next year. Your help is urgently required. Anyone wishing to help at the Six-a-Side or next season should contact F.Luker on Abingdon - 835387, thank you.

THE ROYAL BRITISH LEGION On June 4th. The Annual Service at the A.E.R.E. Stone will take place, this is to remember the night of June 5th, 1944, when allied troops took-off to start the "Liberation of Europe." This Service starts at 5.30pm. Incidentally, the first man to touch 'French Soil' was a Glider Pilot, who when his Glider landed was catapulted through the plastic nose cone and on to the grass.

The "Guinea Pig Club" will be paying their yearly visit on June the 4th also. Poppy Appeal: We thank you all for giving so generously. Also, "The Steve Prior Quiz" will take place in the Club Room on Friday, 3rd. June (Come and see how much you know (or don't know??))

This year is the "Sixtieth" Anniversary of the forming of the Harwell Branch and we are proud to have three of our "Founder Members" still with us.

CHILTON AND HARWELL SOCIETY This Society aims to promote friendship between the residents of the two villages, while raising a little money for charity. We meet once a month, alternating between Chilton and Harwell. This season was the last as Chairman for Andrew Hayes, and many thanks are due to him for the work he has done for Society over the years. Why not come along and join us on June 7th for an Outing to the "Downland Museum in Wantage."
