

HARWELL PARISH COUNCIL

Agenda of an Extraordinary Parish Council meeting to be held on Tuesday 20th
November 2020 at 6.00 pm via Zoom

Members of the public are welcome to join – please contact the Clerk for instructions. If you wish to address the council please let the clerk know in advance.

1. Discuss quotes from SSEN re: staff building electricity connection
2. Discuss quote from Vitex for digging cable route
3. Discuss quote from Octopus Energy for MPAN & meter installation
4. Approve that cable will be routed through play area from Wantage Road and that either
 - a) Vitex quote is accepted, Vitex will dig the necessary trench and SSEN quote ESM671/1 is accepted, or
 - b) SSEN quote ESM 671/2 is accepted which includes digging the trench
5. Discuss any late matters relating to the building project

Agenda prepared by Mrs S Taylor, Parish Clerk

16th November 2020

Notes:

The architect has contacted SSEN regarding connection costs. SSEN suggested 2 routes for accessing the new building, the cheapest would be from Wantage Road, through the rec/play area. The other would be from Westfield through the car park & rec. Both options involve excavating on the highway. Via the car park would be much more expensive (£15,000 plus).

The Wantage Road option is itself divided into 2 quotes, one including digging the trench and one excluding this. Vitex has been asked for a quote for digging the trench and making good the ground. Awaiting quote.

Clerk has contacted Octopus Energy for a guide price for installing a meter in the new building as SSEN does not provide this.
